PREMIUM CASE & COUNTER

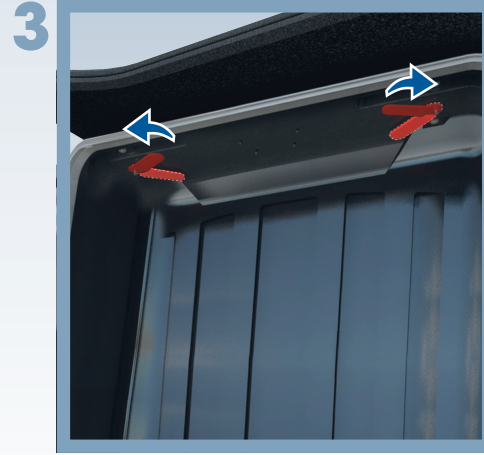

PORTABLE DISPLAYS

1 Open the case and take out all parts.

2 Place the top shelf (still folded) on the right hand side. Make sure the shelf is in position between the two heels.

3 Lock the top shelf by turning the two red handles inside the case a quarter of a turn.

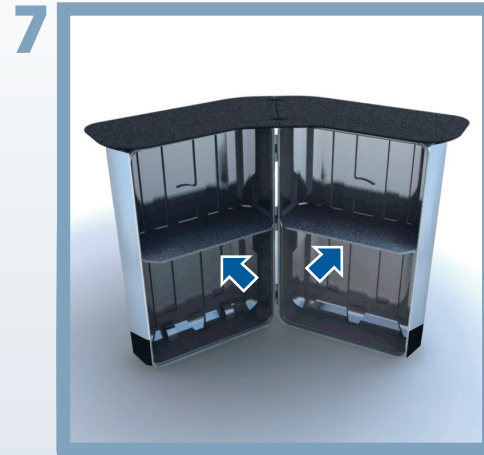

4 Unfold the top shelf and adjust the angle of the case. Lock the red handles in the same way.

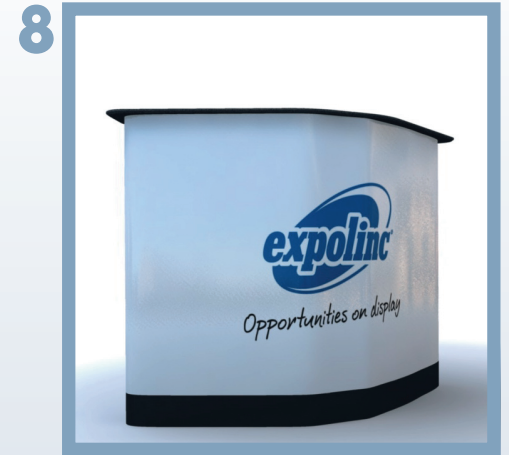

5 Attach the base cover even with the floor. Fasten the Velcro straps inside the case.

6 Attach the case panel even with the top shelf. Fasten the Velcro straps inside the case.

7 Slide in the internal shelves on the tracks inside the case.

8 The counter is ready to be used!
